

MISSION TRIP GUIDELINES

The purpose of the Wynndale Baptist Church Mission's Committee is to lead and support Wynndale Baptist Church in being a Great Commission Church in sharing the Gospel Message and the love of Christ with our community, state, nation and the world. Working in harmony with church leadership, this purpose will be fulfilled through:

1. Developing and promoting mission education at WBC and keeping the church abreast of mission's guidelines and strategies.
2. Developing and implementing a mission strategy that will involve and challenge every age group at WBC
3. Exploring and informing the church about local, state, national and international mission opportunities.
4. Serving as a "clearing house" for mission opportunities brought forth by church members.
5. Overseeing the use of the WBC mission budget

Mission trips sponsored by Wynndale Baptist Church have as their main purpose to fulfill the Great Commission. All church-sponsored mission trips/activities requiring financial assistance will be approved by the Mission Committee and Wynndale Baptist Church. Requests for church-sponsored trips should be given to the Mission Committee Chairman 60 days in advance.

A mission trip is an act of faith both on the part of the team members and the church. Normally team members provide their own financing. Under certain conditions grants may be requested from individuals, groups, Sunday School classes or the church. Requests for aid from the church will be presented to the Mission Committee for a recommendation to the church. Each church member is urged to go, pray, give and support our mission efforts.

If you or your Wynndale Baptist Church sponsored team is/are requiring financial assistance for a mission trip/project please submit the following forms as appropriate:

- Individual Mission Trip/Project Form along with an Individual Mission Trip/Project Budget
- Team Mission Trip/Project Form along with a Team Mission Trip/Project Budget

May God bless you as you fulfill the call of Christ.
